Mr. E. E. Arnaud
Superintendent of
Edgewood Schools

More and more the citizens of the United States are being called upon to do real down-to-earth, fundamental thinking on their own part. The very air around us stirs with opposing ideas: What is Communism? What do we mean by un-Americanism? What does Democracy really mean? Is Fascism better than Communism?

Right in our own neighborhood San Antonians need seriously to consider the civic problems which must be solved if we are to have a growing, vibrant, living city.

High school students should interest themselves in the problems of the day. They should study the history of the years past in order to have a basis for sharing responsibility in facing the crises of today and tomorrow.

They should remember that education does not cease when they are graduated. Alert, thinking graduates will continue to study. They will accept the call for needed leadership in the community. They will intelligently work with other leaders. When they do this, there will be no danger to our principles of Christianity and Democracy.

Dedication

The staff and the sponsor of the 1954 Lance take great pleasure in dedicating this yearbook to Mr. Louis Holst, as evidence that we recognize his yeoman efforts in sponsoring the Lance in its founding years. Mr. Holst has taught science courses at Edgewood, sponsored the freshman class, sponsored the annual staff, acted as "father confessor" to many students, and is especially noted for his rare sense of humor. We trust he will accept our dedication as a token of our esteem and admiration for him.

What's on your minds?

What's all the excitement?

You're looking the wrong way.

Why so bashful, Lemo?

Smile pretty, coach.

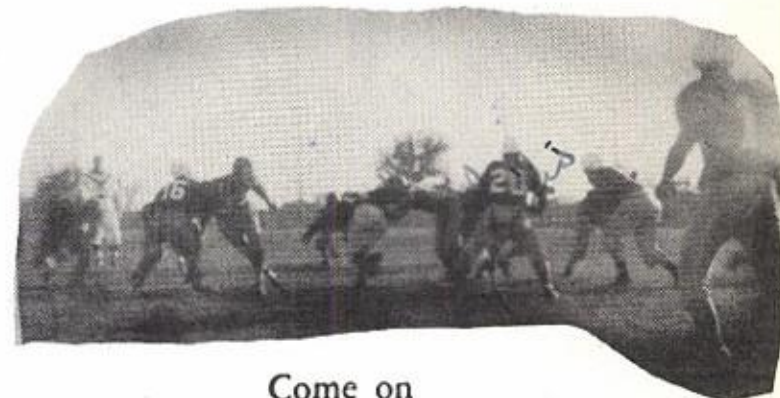

And away we go!

You guys sure look pretty cute!

Refreshment time is here.

Come on Raiders, Let's Go.

Why don't you guys smile?

You guys won't be so bashful next year.

- Mary Agnes Curd--Will become a secretary to some big executive and make lots of money.
- Velia de la Pena--Will settle down with Pete and have a big, happy family.

- Fred Duquette--He'll spend the rest of his life working his magic charm on the girls.
- Lupe Fernandez--She'll become a model for one of the big fashion stores.

- Glen Hitchcock--After four years of hard studying, he'll come back and be basketball coach for Edgewood.
- John Keller--The name Keller will soon be added to the name of Sears, Roebuck & Company.

- Maria Mendez--She will become a "barker" in a circus side-show.
- Mack "Valentino" Munoz--Many hearts will be shattered before this fellow is caught by some gal.
- Felix Nava--The Detroit Lions will have him playing on their line before they win another football pennant.
- Joe Pena--He'll be the next Caruso.
- Carolyn Reicherzer--Things indicate that she may spend part of her life in Germany. Anybody know why?

EDITOR'S MESSAGE

This is it. The book is finished. It doesn't seem possible that a year could have passed so quickly. In fact four years for some of us.

We want to thank Mr. Meyer who was always present to help with our problems.

The memories each of us has stored away during this last year will always be with us. Putting the Annual together was a lot hard work but there were lots of laughs. Every minute has been fun and I speak for the staff.

So to the Editor of 1954-55 and to the staff, we say good luck--and we really mean it.
